

Library Meeting Room Usage Policy

The Orange County Public Library welcomes use of its meeting facilities in keeping with its mission to:

become a community based hub of learning, strives to promote quality of life through stimulating imagination, creating young readers, satisfying curiosity, enabling success in school, and connecting citizens to the online world and our community.

In light of our mission, the Library's meeting rooms are designed to meet general educational, cultural and civic needs including such activities as discussions, lectures, storytimes, displays and films. The meeting rooms are open to all groups engaged in educational, cultural, intellectual, charitable or civic activities.

Meeting room reservations are handled by the individual locations. Reservations are made on a first come, first served basis with library events having the primary priority. Reservations may not be made more than 1 year in advance. As the Library desires to accommodate as many groups as possible, recurring reservations may be denied to allow a fair rotation of access among a variety of groups.

The meeting rooms may not be used for purposes of profit and no admission fees may be charged. Solicitation, sales and/or distribution of product literature are prohibited except for by library support groups.

Use of the Library's meeting rooms does not constitute the Library's or the County of Orange's endorsement of viewpoints expressed by participants in any program.

The Library reserves the right to require liability insurance for activities.

Upon adequate notice and for appropriate reasons, the Library reserves the right to deny or revoke permission to use the meeting rooms.
