GOALS

1. It is easy to use our libraries.
2. People connect to each other and the larger world at our facilities and through our digital portals.
3. We spark joy.
4. We curate collections to entertain, educate, and empower our community.

KEY ACTIVITIES

- Implement new staff training portal.
- Replace public PCs and install additional AWE children's computers.
- Add special displays and target most popular collections for growth.
- Attend community events.
- Continue to select materials carefully and with community needs in mind.
